@Becky, If there's going to be smaller mini games in the new game, maybe you could make a mini game dedicated to The Chin-Face Dude and make it a horror game or something nwn

Whoa, wait WHAT?!? I knew this game was on the Wings of Fire website, but there was NO INDICATION until RIGHT NOW that it was a Wings of Fire game! When i saw that image i felt my heart stop, restart, beat rapidly for a few seconds, and then stopped again. I should probably call an ambulance now, like right now.
